PRICE LIST

1960

31 ENDICOTT AVENUE

JOHNSON CITY, NEW YORK

SINCERE THANKS TO OUR GLAD FRIENDS . . .

for the many orders sent us the past several years. It has been our pleasure to fill these orders for you and we hope you have enjoyed growing them each year. We know from testimonial letters written us from many of you, that a lot of the varieties you have grown from our stock has won on the Show Tables. Congratulations on your winners. Even good stock won't win on any show table unless it is properly grown, so a lot of the credit should go to the growers.

We are not spending a lot of money this year on a fancy catalog, but we do feel we have some real good varieties to offer, and at real bargain prices.

If you have not had an order from us in the last three years, no doubt your name has been taken off our mailing list. So, if you know of anyone that is interested in growing glads, that doesn't get our current price list, we will appreciate it if you will send us a postal card with their name and address, and we will mail them one at once.

If you receive our price list, but are no longer interested in growing gladiolus, will you please drop us a card so that we may remove your name from our mailing list. We would also appreciate it if you would pass the list to someone else you may know, who might like to order glads for 1960. Thanks a lot.

Our stock is New York State inspected and we aim to send our healthy true to name, varieties.

All bulbs on our RETAIL LIST are sent Postpaid. Minimum order from the RETAIL LIST is \$3.00. PLEASE do not send CASH or STAMPS. Money orders, checks or bank drafts should accompany all orders. Thank you.

We acknowledge all orders as soon as received in our office. We also send our customer a card advising then their order is shipped so that they may be on the alert to receive them at the proper time.

Lewis T. Lowe
